COURSE ACCREDITATION FOR LEGAL EDUCATION

Continuing Legal Education

[Admission and Discipline Rule 29](#) outlines accreditation policies for mandatory continuing legal education in Indiana.

Approved sponsors enjoy a presumption of course approval as long as the course meets the criteria outlined in [Admission and Discipline Rule 29](#) under Mandatory Continuing Legal Education Guidelines, Section 3(a). Ethics Credit Policy

The ethics portion of a course shall be directed to the ethics of attorneys as opposed to the ethical or moral behavior of other professionals or of people in general. Such courses shall include instruction focusing on the [Rules of Professional Conduct](#) as they relate to law firm management, malpractice avoidance, attorney fees, legal ethics, and the duties of attorneys to the judicial system, the public, clients and other attorneys.

Although ethics can be integrated into the program (as opposed to a freestanding, single-issue program), it still must appear as a separate agenda item and must be at least thirty (30) minutes in duration to be given credit. Sponsors must separately certify attorney ethics credits on the sponsor's attendance reports.

Application Checklist

Before submitting an application for course accreditation to the Commission, please check the following:

1. Determine whether you wish to apply for a non-legal subject matter course, or for total or partial accreditation of a CLE course.

Non-Legal Subject Matter ("NLS") Courses. NLS courses are those that enhance an attorney's competence in his or her individual practice. NLS is unavailable for in-house and distance education programs. Attorneys can report a maximum of twelve hours toward the three-year 36-hour requirement using NLS courses. Complete the "Application for Accreditation of a Non-Legal Subject Matter Course."

Total Accreditation. Complete the "Application for Accreditation of Continuing Legal Education Activity."

Partial Accreditation. An applicant must apply separately for accreditation of the legal portions of a seminar, where the substance of a seminar is not entirely legal. The Commission may deny accreditation for an entire program where separate application is not made and where a significant portion of the program is not continuing legal education. Complete the enclosed "Application for Accreditation of Continuing Legal Education Activity," and identify those topics for which you request accreditation.

2. Form is complete: signed and properly verified.
3. The required course enclosures are provided.
4. CLE (or non-legal subject) minutes have been computed correctly:
 - a. Only time of actual instruction counts toward credit hours.
 - b. Credit is not given for introductory remarks, breaks, or business meetings.
 - c. If credit is requested for a dinner or luncheon speaker, minutes will be deducted for service of the meal.
5. Sponsors are encouraged to plan activities that are at least 60 minutes long.
6. In order to receive ethics accreditation, a topic must have ethics for attorneys as its main focus and must be at least 30 minutes long.
7. No credit is given for in-house activities (except for government attorneys).
8. No credit is given for self-study activities.
9. For Internet courses or computer skills courses, complete course materials must be submitted with the application form.
